## **Public may comment on request for additional campsites at Lavon Lake**

The U.S. Army Corps of Engineers, Fort Worth District, is processing a request from Collin Park Marina, Inc., for the construction of 13 additional campsites in Collin Park at Lavon Lake and is accepting comments from the public about the request.

The proposed campsites will be located between an existing campsite loop and the government property line. Construction of the sites will include approximately 600 feet of access road and 13, 11- by 65-foot RV trailer pads. There will also be water, electrical and sewer connections at each site. Design plans showing the location and details of the proposed construction are available for review at the Lavon Lake Office.

Written comments on the request will be accepted until Feb. 13, 2001, and should be mailed to Lake Manager, Lavon Lake, 3375 Skyview Drive, Wylie, TX 75098. The lake manager can also be reached at 972-442-3141.
